

Transfiguration

- Season 2021-2022 (2014)

Course description

Transfiguration explores the complex and devalued arts of Transformation, Vanishment, Conjuraction and Untransfiguration and will allow students to manipulate the appearance of objects or living things.

Course objectives

Our objectives have been certified by the Ministry of Magic; to become adept at not only mastering, but also recognising this form of Magic(s).

Prerequisites

A basic understanding of Transfiguration law;

$$t = \frac{(w \times c)}{(v \times a)} \times Z^*$$

The intended transformation (t) is directly influenced by body weight (a), viciousness (v), wand power (w), concentration (c) and thought (Z)

Materials Needed

- 1 Wand
- 1 Familiar (Cat, Owl, Toad, Rodent, Bird)
- 1 Copy of A Beginners Guide to Transfiguration
- 1 Copy of Intermediate Transfiguration
- 1 Copy of A Guide to Advanced Transfiguration

Grading Scale

House Points:
Will be awarded based on overall participation and ability.

Skill Points:
Will be awarded for attendance.

Other information

During the classroom setting there will be **no posting order due** to the amount of participants. Please try and keep your posts concise and relevant to the classroom, as much as you can, as it can prove difficult to follow paragraphs upon paragraphs. Whilst in a classroom setting, **we immediately default to either short or semi-para form only.**

Professor Leonora Knight

- Office hours 0200PMS-0300PMSLT - MON&TUE

Week 1

Years 1-5

Years 4-7

- An introduction to Syllabus
